MINISTER OF LABOUR

GENERAL INFORMATION / ALGEMENE INLIGTING

THE EMPLOYEE AND THE MEDICAL SERVICE PROVIDER

The employee is permitted to freely choose his own service provider e.g. doctor, pharmacy, physiotherapist, hospital, etc. and no interference with this privilege is permitted, as long as it is exercised reasonably and without prejudice to the employee or to the Compensation Fund. The only exception to this rule is in case where an employer, with the approval of the Compensation Fund, provides comprehensive medical aid facilities to his employees, i.e. including hospital, nursing and other services — section 78 of the Compensation for Occupational Injuries and Diseases Act refers.

In terms of section 42 of the Compensation for Occupational Injuries and Diseases Act the Compensation Fund may refer an injured employee to a specialist medical practitioner of his choice for a medical examination and report. Special fees are payable when this service is requested.

In the event of a change of medical practitioner attending to a case, the first doctor in attendance will, except where the case is transferred to a specialist, be regarded as the principal. **To avoid disputes regarding the payment for services rendered, medical practitioners should refrain from treating an employee already under treatment by another doctor without consulting / informing the first doctor.** As a general rule, changes of doctor are not favoured by the Compensation Fund, unless sufficient reasons exist.

According to the National Health Act no 61 of 2003, Section 5, a health care provider may not refuse a person emergency medical treatment. Such a medical service provider should not request the Compensation Fund to authorise such treatment before the claim has been submitted to and accepted by the Compensation Fund. **Pre-authorisation of treatment is not possible and no medical expense will be approved if liability for the claim has not been accepted by the Compensation Fund.**

An employee seeks medical advice at his own risk. If an employee represented to a medical service provider that he is entitled to treatment in terms of the Compensation for Occupational Injuries and Diseases Act, and yet failed to inform the Compensation Commissioner or his employer of any possible grounds for a claim, the Compensation Fund cannot accept responsibility for medical expenses incurred. The Compensation Commissioner could also have reasons not to accept a claim lodged against the Compensation Fund. In such circumstances the employee would be in the same position as any other member of the public regarding payment of his medical expenses.

Please note that from 1 January 2004 a certified copy of an employee's identity document will be required in order for a claim to be registered with the Compensation Fund. If a copy of the identity document is not submitted the claim will not be registered but will be returned to the employer for attachment of a certified copy of the employee's identity document. Furthermore, all supporting documentation submitted to the Compensation Fund must reflect the identity number of the employee. If the identity number is not included such documents can not be processed but will be returned to the sender to add the ID number.

The tariff amounts published in the tariff guides to medical services rendered in terms of the Compensation for Occupational Injuries and Diseases Act do not include VAT. All accounts for services rendered will be assessed without VAT. Only if it is indicated that the service provider is registered as a VAT vendor and a VAT registration number is provided, will VAT be calculated and added to the payment, without being rounded off.

The only exception is the “per diem” tariffs for Private Hospitals that already include VAT.

Please note that there are VAT exempted codes in the private ambulance tariff structure.

**CLAIMS WITH THE COMPENSATION FUND ARE PROCESSED AS
FOLLOWS •
EISE TEEN DIE VERGOEDINGSFONDS WORD AS VOLG GEHANTEER**

1. New claims are registered by the Compensation Fund and the **employer is notified of the claim number** allocated to the claim. The allocation of a claim number by the Compensation Fund, does not constitute acceptance of liability for a claim, but means that the injury on duty has been reported to and registered by the Compensation Commissioner. Enquiries regarding claim numbers should be directed to the employer and not to the Compensation Fund. The employer will be in the position to provide the claim number for the employee as well as indicate whether the claim has been accepted by the Compensation Fund • *Nuwe eise word geregistreer deur die Vergoedingsfonds en die werkgever word in kennis gestel van die eisnommer. Navrae aangaande eisnommers moet aan die werkgever gerig word en nie aan die Vergoedingskommissaris nie. Die werkgever kan die eisnommer verskaf en ook aandui of die Vergoedingsfonds die eis aanvaar het of nie*
2. If a claim is **accepted** as a COIDA claim, **reasonable medical expenses** will be paid by the Compensation Commissioner • *As 'n eis deur die Vergoedingsfonds aanvaar is, sal redelike mediese koste betaal word deur die Vergoedingsfonds.*
3. If a claim is **rejected (repudiated)**, accounts for services rendered will not be paid by the Compensation Commissioner. The employer and the employee will be informed of this decision and the injured employee will be liable for payment. • *As 'n eis deur die Vergoedingsfonds afgekeur (gerepudieer) word, word rekenings vir dienste gelewer nie deur die Vergoedingsfonds betaal nie. Die betrokke partye insluitend die diensverskaffers word in kennis gestel van die besluit. Die beseerde werknemer is dan aanspreeklik vir betaling van die rekenings.*
4. If **no decision** can be made regarding acceptance of a claim due to inadequate information, the outstanding information will be requested and upon receipt, the claim will again be adjudicated on. Depending on the outcome, the accounts from the service provider will be dealt with as set out in 2 and 3. Please note that there are claims on which a decision might never be taken due to lack of forthcoming information • *Indien geen besluit oor die aanvaarding van 'n eis weens 'n gebrek aan inligting geneem kan word nie, sal die uitstaande inligting aangevra word. Met ontvangs van sulke inligting sal die eis heroorweeg word. Afhangende van die uitslag, sal die rekening gehanteer word soos uiteengeset in punte 1 en 2. Ongelukkig bestaan daar eise waaroor 'n besluit nooit geneem kan word nie aangesien die uitstaande inligting nooit verskaf word nie.*

BILLING PROCEDURE • EISPROSEDURE

1. The **first account** for services rendered for an injured employee (INCLUDING the First Medical Report) must be submitted to the employer who will collate all the necessary documents and submit them to the Compensation Commissioner • *Die eerste rekening (INSLUITEND die Eerste Mediese Verslag) vir dienste gelewer aan 'n beseerde werknemer moet aan die werkgewer gestuur word, wat die nodige dokumentasie sal versamel en dit aan die Vergoedingskommissaris sal voorlê*

Alle inligting oor Arbeidsentrums is beskikbaar op die webblad www.labour.gov.za*
4. If an account has been **partially paid** with no reason indicated on the remittance advice, a duplicate account with the unpaid services clearly marked can be submitted to the Labour Centre, accompanied by a W.Cl 20 form. (*see website for example of the form). • *Indien 'n rekening gedeeltelik betaal is met geen rede voorsien op die betaaladvies nie, kan 'n duplikaatrekening met die wanbetaling duidelik aangedui, vergesel van 'n W.Cl 20 vorm by die Arbeidsentrum ingedien word (*sien webblad vir 'n voorbeeld van die vorm)*

TARIFF OF FEES IN RESPECT OF CHIROPRACTIC SERVICES FROM 1 APRIL 2010
TARIEWE TEN OPSIGTE VAN CHIROPRAKTISYN DIENSTE VANAF 1 APRIL 2010

GENERAL RULES GOVERNING THE TARIFF
ALGEMENE REËLS VAN TOEPASSING OP DIE TARIEF

- 001** “After hours treatment” shall mean those performed by arrangement at night between 18:00 and 07:00 on the following day or during weekends between 13:00 Saturday and 07:00 on Monday. Public holidays are regarded as Sundays. This rule shall apply for all treatment whether administered in the practitioner’s rooms, or at a nursing home or private residence (only by arrangement when the employee’s condition necessitates it). The fee for all treatment under this rule shall be the total fee for treatment + 50%. In cases where the chiropractor’s scheduled working hours extend after 18:00 during the week or 13:00 on a Saturday the above rule shall not apply and the treatment fee shall be that of the **normal listed tariff**.

“Na-uurse behandeling” beteken dié behandeling wat geskied in die nag tussen 18:00 en 07:00 van die volgende dag of gedurende naweke tussen 13:00 Saterdag en 07:00 Maandag. Openbare vakansiedae word beskou as Sondae.

Hierdie reëling sal geld vir alle behandeling, hetsy dit in die praktisyn se kamers verskaf word of by ‘n verpleeginrigting, of by ‘n privaat woning (lg alleenlik indien vooraf gereël wanneer die werknemer se toestand dit vereis).

Vir alle behandeling ooreenkomstig hierdie reël geld die volle tarief vir die behandeling plus 50 persent.

In gevalle waar die chiropraktisyn se vaste werksure gedurende die week strek tot na 18:00 of op ‘n Saterdag tot na 13:00 geld bogenoemde reël nie en die tarief vir behandeling is die **normale gelyste tarief**.

002 *Travelling fees / Reisgelde*

- (a) Where, in the case of emergency, a chiropractor is called out from his residence or rooms to an employee’s home or the hospital, travelling fees can be charged if more than 16 kilometres in total have to be travelled.

(b) If more than one employee is attended to during the course of a trip, the full travelling expenses must be divided *pro rata* between the relevant employees.

(c) A practitioner is not entitled to charge for any travelling expenses to his rooms.

When a chiropractor has to travel more than 16 kilometres in total to visit an employee, the fees shall be calculated as follows:

R5.00 per km for each kilometre in excess of 16 kilometres total travelled in **own car**: 19 km total = 3 X R5.00 = R15.00.

(a) Waar 'n chiropraktisyn in 'n noodgeval vanaf sy huis of kamers na 'n werknemer se woning of 'n hospitaal uitgeroep word, kan reisgelde gehef word indien hy meer as 16 kilometer in totaal moet reis.

(b) Indien meer as een werknemer tydens 'n reis aandag geniet, moet die volle reisgeld *pro rata* tussen die werknemers verdeel word.

(c) 'n Praktisyn is nie geregtig om gelde te hef vir enige reiskoste na sy kamers nie.

Waar 'n chiropraktisyn meer as 16 kilometer in totaal moet reis om 'n werknemer te besoek, word sy gelde as volg bereken:

R5.00 per km vir elke kilometer verder as 16 kilometer in totaal, afgeleë in **ei e motor**: 19 km totaal = 3 X R5.00 = R15.00.

003 If, after a series of 20 treatment sessions for the same condition, further treatment is required, the practitioner must submit a progress report to the Compensation Commissioner indicating the necessity for further treatment and the number of further treatment sessions required. Without such a report payment for treatment sessions in excess of 20 shall not be considered.

Indien verdere behandeling vir dieselfde toestand na 'n reeks van 20 behandelingssessies benodig word moet die praktisyn die Vergoedingskommissaris van 'n vorderingsverslag voorsien waarin die noodsaaklikheid vir verdere behandeling en die aantal behandelingssessies wat nog benodig word, duidelik aangedui word. Sonder so 'n verslag sal betaling vir meer as 20 behandelingssessies nie oorweeg word nie.

004 The reports for completion by the practitioner:

(a) **The First Medical Report (W.Cl.4)**

The form is used for all injured employees. The practitioner should note that the form is in the nature of a signed medical certificate and he should, therefore, observe due care in completing, dating and signing the form.

(b) **The Progress or Final Medical Report (W.Cl.5)**

This form is used either for progress reports or the final report; the appropriate descriptive title being retained as the case may be. Most of the items in the report are self-explanatory and require no special amplification.

Die verslae wat deur die praktisyn ingevul moet word:

(a) **Die Eerste Mediese Verslag (W.Cl.4)**

Hierdie vorm word vir alle beseerde werknemers. Die praktisyn moet daarop let dat die vorm ooreenstem met 'n getekende geneeskundige sertifikaat en hy moet derhalwe behoorlik sorg dra wanneer hy dit invul, dateer en onderteken.

(b) **Die Vorderings- of Finale Mediese Verslag (W.Cl.5)**

Hierdie vorm word óf as 'n vorderings- of as die finale verslag gebruik en na gelang van omstandighede word die toepaslike opskrif behou. Die meerderheid van die items in die verslag is selfverduidelikend en het geen verdere omskrywing nodig nie.

005 No more than four physical procedures and modalities in one session will be reimbursed.

Multiple physical procedures and modalities shall be reimbursed as follows:

Major :

(highest valued procedure or modality)	100% of listed value
--	----------------------

Second :

(second-highest or equivalent valued procedure or modality)	50% of listed value
---	---------------------

Third :

(third-highest equivalent valued procedure or modality)	50% of listed value
---	---------------------

Fourth :

(fourth-highest or equivalent valued procedure or modality)	50% of listed value
---	---------------------

All treatment must be justified by the condition of the employee and the goals and objectives of the treatment plan.

Nie meer as vier fisiese prosedures en modaliteite sal per behandelingsessie vereffen word nie.

Fisiese prosedures en modaliteite sal as volg vereffen word:

Hoofprosedure / modaliteit	100% van gelyste waarde
Tweede prosedure / modaliteit	50% van gelyste waarde
Derde prosedure / modaliteit	50% van gelyste waarde
Vierde prosedure / modaliteit	50% van gelyste waarde

Die werknemer se toestand moet bepaal watter behandeling toepaslik is en daar moet rekening gehou word met die doelstellings van die behandeling wat toegepas word.

- 006** Un-cancelled appointments — Appointments not cancelled at least four hours before the relevant appointment time — relevant practitioner's fees shall be payable by the employee.

Ongekanselleerde afspraak — afspraak wat nie ten minste vier ure voor die afspraaktyd gekanselleer word nie — normale afspraaktarief is betaalbaar deur die werknemer.

- 007 Reports / Verslae:**

Not applicable in respect of injured workmen covered under the COIDA.

Nie van toepassing ten opsigte van beserings aan diens nie.

- 008 Change of chiropractor / medical practitioner ("supersession"):**

In the event of a change of chiropractor / medical practitioner consulted, the first chiropractor / medical practitioner in attendance will, except where the case is handed over to a specialist, be regarded as the principal, and payment will normally be made to him / her. To avoid disputes, chiropractors / medical practitioners should refrain from treating a case already under treatment without first discussing it with the first chiropractor / medical practitioner. As a general rule, changes of chiropractor / medical practitioner are not favoured, unless sufficient reasons exist.

Verandering van chiropraktisyn / geneesheer ("supersessie"):

In die geval van 'n verandering van chiropraktisyn / geneesheer wat 'n pasiënt behandel, sal die chiropraktisyn / geneesheer wat die aanvanklike behandeling toegedien het, behalwe

waar die geval aan 'n spesialis oorhandig is, as die lasgewer beskou word en betaling sal normaalweg aan hom / haar gemaak word. Ten einde geskille te voorkom moet die chiropraktisyns / geneeshere hul daarvan weerhou om 'n geval wat reeds onder behandeling is, te behandel sonder om dit eers met die eerste chiropraktisyn / geneesheer te bespreek. Oor die algemeen word verandering van chiropraktisyn, tensy voldoende redes daarvoor bestaan, nie aangemoedig nie.

009 Consultations / Konsultasies:

No fees may be charged for follow-up consultations within the first *four months* from the date of the first procedure or treatment except as is provided for under item 04002.

Geen fooie mag gehef word vir opvolgkonsultasies binne *vier maande* vanaf die datum van die eerste prosedure of behandeling nie behalwe soos voorsien daarvoor in item 04002.
